

NEED A SECURE CHECK PRINTING SOLUTION?

MICR Cartridges

Our remanufactured MICR cartridges are specially formulated to meet the high standards needed to support check printing at a significant savings over national brand cartridges. We carry the largest selection of MICR products in the market, providing businesses with the quality they require, the value they need, and the superior environmental solution they want.

Our MICR cartridges meet government specifications for signal strength. By using a special high adhesion toner formula, designed specifically for your printer, it significantly reduces the possibility of costly fees stemming from rejected checks. Our MICR toner contains a security feature that helps to virtually eliminate the risk of check fraud. All MICR products are post tested and come with a 100% performance guarantee.

► Key Benefits:

- 100% performance guarantee
- Environmentally-friendly solution
- 100% post tested
- Meets all US and CDN banking standards
- Superior cost savings over national brand cartridges
- Toner-based security features help to virtually eliminate the risk of check fraud
- Large product assortment including Dell, HP, IBM, Lexmark, TROY, Source Technologies, and Xerox
